

## Board One

Look at the picture in the top left corner of the Board. Now look to your right along the road. You are looking at the same stretch of road. Write down three ways in which the view has changed.

1.

2.

3.

Look at the top right picture on the board. You can see that the building was being used to sell cars. Look around you until you can see the same building nearly 100 years later. Write down the names of three of the businesses that are there now and what they do.

1.

2.

3.

Look at the bottom left picture. It is of a quiet country lane. It is now the road to the left of Aldi. Name three ways in which it looks different now.

1.

2.

3.

Look at the bottom right picture. Turn round and find the same buildings. Name three differences between the buildings then and now.
